

De Hoop Red Travertine FBS

CLASSIFICATION

FBS

TEXTURE

A light textured finish with a natural clay grain appearance.

Choose clay face bricks for their unmatched durability, timeless beauty, and excellent thermal insulation, all while requiring no maintenance, ensuring your building stands the test of time with minimal effort.

Variations in colour, texture and size are natural to the material and may vary slightly. Variations can occur from batch to batch. While every effort is made to provide colour and texture consistent with product photographs, this should be viewed as a guide only.
